INDEPENDENT AUDITOR'S REPORT

To the members of ITI GOLD LOANS LIMITED (Formerly known as UNITED PETRO FINANCE LIMITED)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of ITI GOLD LOANS LIMITED (Formerly known as UNITED PETRO FINANCE LIMITED) ("the Company"), which comprise the Balance Sheet as at March 31, 2024, theStatement of Profit and Loss (including other Comprehensive Income), the statement of change in equity and the Statement of Cash Flows for the year ended on that date and a summary of the significant accounting policies and other explanatory information (herein after referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaidfinancial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with companies (Indian Accounting Standards) Rule, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the Profit and total Comprehensive Income, Changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of Audit Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course ofour audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We will report any material misstatement, if any, on receiving the Other Information.

RAMESH M. SHETH & ASSOCIATES * AUDITORS * C.A

Responsibility of Management and Those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performanceand cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole arefree from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it

probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in **"Annexure A"** since, in our opinion and according to the information and explanation given to us, the said Order is applicable to the Company.

2) As required by Section 143(3) of the Act, based on our audit we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

   d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

   e) On the basis of the written representations received from the directors as on March 31, 2024taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024from being appointed as a director in terms of Section 164 (2) of the Act.

   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

   g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

      In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with provision of section 197 read with schedule V of the Act.

   h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company does not have any pending litigations which would impact on its financial position.

      ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred by the Company to the Investor Education and Protection Fund.

iv.

a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of Companies (Audit and Auditors) Rule, 2014, as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not paid any dividend during the year and hence the provisions of section 123 of the Companies Act 2013 are not applicable.

vi. Based on our examination which includes test checks, the company has used an accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure – A to the Auditors' Report

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of ITI Gold Loans Limited (Formerly United Petro Finance Limited) on the Financial Statements of even date.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

(i) In respect of the Company's Property, Plant and Equipment, right of use of assets and Intangible Assets:

The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

a)

(A) The Company is maintaining proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.

(B) The Company is maintaining proper records showing full particulars of Intangible assets.

b) The Company has a regular program of physical verification of its Property Plant and Equipment by which all the Property Plant and Equipment are physically verified by the management during the year, at regular intervals. In our opinion and according to the information and explanation available to us, no material discrepancies were noticed on such physical verification.

c) In our opinion and according to the information and explanation available with us, we report that the Company does not own any immovable properties and thus para (i)(B)(c) of the Order is not applicable.

d) The Company has not revalued any of its Property, Plant and Equipment (including Right of use assets) or Intangible assets or both during the year under audit and hence reporting under this clause is not applicable.

e) In our opinion and according to the information and explanation available with us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.

(ii)

(a) In our opinion and according to the information and explanation available with us, we report that the Company does not have any inventory and thus clause 3(ii)(a) of the Order is not applicable.

(b) The Company has working capital limits in excess of five crores rupees, from banks or financial institutions on the basis of security of current assets; The quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.

(iii) As explained in note no. 1 to the financial statements, the Company is registered under section 45-IA of the Reserve Bank of India Act, 1934 as a Non-Banking Financial Company (non-deposit accepting). During the year, in the ordinary course of its business, the Company has granted secured loans and advances in the nature of loans, to other parties. The Company has not made any investments or have provided guarantee/security to any person during the year. With respect to such loans and advances:

(a) The principal business of the Company is to give loans and hence reporting under Clause 3(iii)(a) of the Order is not applicable.

(b) In our opinion, having regard to the nature of the Company's business, the terms and conditions of the grant of all loans and advances in the nature of loans provided are not prejudicial to the Company's interest.

(c) The Company is registered under section 45-IA of the Reserve Bank of India Act, 1934 as a Non-Banking Financial Company (non-deposit accepting) and rules made thereunder and is regulated by various

regulations, circulars and norms issued by the Reserve Bank of India including Master Circular – Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances. In respect of loans and advances in the nature of loans granted by the Company, the Company has provided fund-based loans to Individuals and other parties. The Company has maintained data of borrowers, amount borrowed, repayment dates, interest receivable and received and borrowers identified as Non-performing Assets ("NPAs"). Though the Company maintains borrower wise data in respect to amount outstanding, due date of payment and no. of days of delay (that has been suggested in the Guidance Note on CARO 2020 issued by the Institute of Chartered Accountants of India for reporting under this clause), is not reported on account of volume of data generated and the same is impracticable to furnish looking at the size and nature of its business activities entered by the Company. The Company has made appropriate provisions on NPAs in the financial statements as per Accounting Standards followed as well as prudential norms issued by RBI in respect to Income Recognition and Asset Classification. The same is disclosed vide note no. 36, 37 and 49 to the financial statements. Other than the parties recognized as NPAs, the parties are regular in payment of principal amount and interest, as applicable.

(d) Based on our audit procedures and the information and explanation made available to us, in case where overdue amount is outstanding for more than 90 days in case of loans given in course of the business operations of the Company, reasonable steps, as per its policy and procedures, have been taken by the Company for recovery of the principal and interest. The total amount which is overdue for more than 90 days as at 31 March 2024 in respect of loans or advances in the nature of loans granted to such companies, firms, LLPs or other parties is as follows:

No. of Cases	Principal amount overdue (₹ in Lakhs)	Interest Overdue (₹ in Lakhs)	Total Overdue (₹ in Lakhs)
592	486.75	50.47	537.22

(e) The Company is registered as Non-Banking Financial Company and thus clause (e) to clause (iii) of the Order is not applicable.

(f) The Company has not granted any loans or advances in the nature of loans by way of either repayable on demand or without specifying any terms or period of repayment and thus para 3(iii)(f) of the Order is not applicable.

(iv) The Company has not advanced loans or made investments in or provided guarantee or security to parties covered by section 185 and section 186 of the Act and therefore para iv of the Order is not applicable to the Company.

(v) In our opinion and according to the information and explanations given to us, the Company being NBFC, provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014, as amended, are not applicable. We are informed by the Management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal against the Company in this regard.

(vi) The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Act for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

(vii) In respect of statutory dues:

(a) The Company has generally been regular in depositing undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income tax, cess and other material statutory dues applicable to it, to the appropriate authorities. As explained to us, the Company does not have any dues on account of sales tax, service tax, duty of customs, duty of excise and value added tax.

RAMESH M. SHETH & ASSOCIATES * AUDITORS * C.A

(b) There are no statutory dues relating to GST, Provident Fund, Employees State Insurance, Income-Tax, Sales Tax, Service Tax, Duty of Customs, Value Added Tax or Cess or other statutory dues which have not been deposited on account of any dispute.

(viii) In our opinion and according to the information and explanations given by the management and based on the procedures carried out during the course of our audit, we have not come across any transactions not recorded in the books of accounts which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix)

a) In our opinion and according to the information and explanation given to us and on the basis of our audit procedures, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

b) In our opinion and according to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

c) In our opinion and according to the information and explanation available with us, the term loans have been applied for the purpose for which the loans were obtained.

d) In our opinion, and according to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not used funds raised on short term basis for Long term purposes.

e) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company does not have any subsidiaries, associates or joint ventures and hence reporting under Clause 3(ix)(e) is not applicable.

f) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company does not have any subsidiaries, associates or joint ventures and hence reporting under Clause 3(ix)(f) is not applicable.

(x)

(a) The Company has not raised money by way of an initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) In our opinion and according to the information and explanations given to us, the company has made private placement of shares under review and the requirement of section 42 of the Companies Act, 2013 have been complied with and the amount raised have been used for the purposes for which the funds were raised.

(xi)

a) In our opinion and according to the information and explanations given to us and on the basis of our audit procedures, we report that no fraud by the Company and fraud on the Company has been noticed or reported during the year.

b) Since there are no instances that requires the auditors to file form ADT-4 with the central government as required under Rule 13 of Companies (Audit and Auditors) Rule, 2014 read with sub-section (12) of section 143 of the Companies Act, 2013 the provisions of para (xi) (b) of the Order are not applicable.

c) In our opinion and according to the information and explanations given to us and on the basis of our audit procedures, we report that no whistle-blower complaints were received during the year by the Company.

(xii) The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.

(xiii) According to the information and explanations given to us, in our opinion, the Company is in compliance with section 188 and 177 of the Companies Act, 2013, where applicable, for all transactions with the related

parties and the details of related party transactions have been disclosed in the financial statements, etc., as required by the applicable accounting standards.

(xiv)

(a) The Company has an internal audit system commensurate with the size and the nature of its business.

(b) We have considered the internal audit reports for the Company issued till date, for the period under audit.

(xv) According to the information and explanations given to us, in our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Hence provisions of section 192 of the Companies Act, 2013 are not applicable and also reporting under this clause is not applicable.

(xvi)

(a) In our opinion, and according to the information and explanation given to us, the Company is required to obtain the registration under section 45-IA and the necessary registration has been duly obtained.

(b) In our opinion, and according to the information and explanation given to us, the Company has obtained a Certificate of Registration (COR) for conducting activities related to Non-Banking Finance.

(c) In our opinion, and according to the information and explanation given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(d) In our opinion, and according to the information and explanation given to us, the Group does not have any CICs.

(xvii) The Company has not incurred any cash losses during the financial year ended on that date and the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year and accordingly reporting under clause 3(xviii) of the Order is not applicable.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company is not required to spend any amount under sub-section (5) of section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

(xxi) The Company does not have any subsidiary or associate concerns and hence reporting under Clause 3(xxi) of the Order is not applicable.

Annexure – B to the Auditor's Report

Referred to in paragraph 2 (f) 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report to the members of ITI Gold Loans Limited (Formerly United Petro Finance Limited) of even date for the year ended March 31, 2024.

Report on the Internal Financial Controls of Financial Statements under Clause (i) of Sub-section 3 of the Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ITI Gold Loans Limited (Formerly United Petro Finance Limited) ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishment and maintaining internal financial controls based in the internal control over financial reporting criteria establishment by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls systems over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2024, based on the internal control over reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Terms of repayment, nature of security & rate of interest in case of Debt Securities.

Convertible Debenture

During the year the Company has redeemed 56 Debentures at INR 1,00,000 each issued on 20 Mar 2018 for period of 5 years at a coupon rate of 12%. The tenure was extended by a year in FY 2022-23 in the meeting held on 9 Feb 2023.

Non Convertible Debenture

During the year 2023-24, the company has issued 10,00,000 1% Non Convertible Debentures (NCDs) of face value of ₹ 100 each amounting to ₹ 10 crores at par by conversion of existing loan (ICD) from Lakshdeep Investment and Finance Private Limited. The NCDs have maximum period of 5 years from the date of allotment, unless redeemed earlier. The NCDs were issued under similar terms & condition, as issued earlier in FY 2022-23 amounting to Rs 30 crore.

The NCDs are redeemedable at a premium ("Redemption Premium") as mutually agreed between the holder and the Company but not exceeding at 50% of the NCDs issue value on the completion of Term. The NCDs holder have right to ask for the early redemption i.e before completion of tenure of 5 year without any condition of occurrence of a certain event or any defaults. However, in case of NCDs holder opt for the early redemption then they will not be eligible for any redemption premium.

The coupon rate of NCDs is 1% and coupon to be paid within 90 days from the end of the financial year.

(b) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. The Company has not disclosed the fair values of financial instruments such as trade receivables, trade payables, cash and cash equivalents, fixed deposits, security deposits, etc. as carrying value is reasonable approximation of the fair values. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the Indian Accounting Standards. An explanation of each level is as below:

Level 1 hierarchy includes financial instruments measured using quoted prices (unadjusted) in active market for identical assets that the entity can access at the measurement date.

Level 2 hierarchy includes the fair value of financial instruments measured using quoted prices for identical or similar assets in markets that are not active.

Level 3 If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted compound instruments.

There are no transfers between any of these levels during the year. The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(c) Quantitative analysis of significant unobservable inputs

Discount margin/spreads

Discount margin/spreads represent the discount rates used when calculating the present value of future cash flows. In discounted cash flow models such spreads are added to the benchmark rate when discounting the future expected cash flows. Hence, these spreads reduce the net present value of an asset or increase the value of a liability. They generally reflect the premium an investor expects to achieve over the benchmark interest rate to compensate for the higher risk driven by the uncertainty of the cash flows caused by the credit quality of the asset. They can be implied from market prices and are usually unobservable for illiquid or complex instruments.

Cash Flow

Expected cash flow levels including timing of cash flows are estimated by using quantitaive and qualitative measures regarding the characteristics of the underlying assets including default rates, nature and value of collaterals, manner of resolution and other economic drivers. The timing of expected cash flows is influenced by the nature of collateral and the expected use of the same by the market participants. The manner of resolution is determined based on financial position and negotiations with the counterparty.

34 Capital Management

The primary objective of the Company for its capital management is to ensure that it complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to sharehold ers, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

Regulatory capital

35 Risk management

35.1 Liquidity Risk

Liquidity risk emanates from the mismatches existing on the balance sheet due to differences in maturity and repayment profile of assets and liabilities. These mismatches could either be forced in nature due to market conditions or created with an interest rate review. Such risk can lead to a possibility of unavailability of funds to meet upcoming obligations arising from liability maturities. To avoid such a scenario, the Company has ensured maintenance of a Liquidity Cushion in the form of open / running ICD from group Companies. It take care of immediate obligations while continuing to honour our commitments as a going concern.

35.2 Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments. The following table demonstrates the sensitivity to a reasonably possible change in interest rates (all other variables being constant) of the Company's statement of profit and loss. The sensitivity of the statement of profit and loss is the effect of the assumed changes in interest rates on the profit or loss for a year."

Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period

₹ in Lakhs

Particulars	As at March 31, 2024	As at March 31, 2023
Variable rate borrowings	17,504.00	11,580.69
Fixed rate borrowings	4,000.00	3,056.00
Total Borrowings	21,504.00	14,636.69
Variable rate Loans	27,603.26	17,683.30
Fixed rate Loans	-	-
Total Loans	27,603.26	17,683.30
Net exposure (Variable borrowing- variable loans)	(10,099.26)	(6,102.61)

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 50 basis points in interest rates at the reporting date would have increased (decreased) profit or loss after tax by the amounts shown below. This analysis assumes that all other variables, remain constant.

₹ in Lakhs

Particulars	Increase/(Decrease) in profit before tax for the year ended	
	31 March 2024	31 March 2023
Interest rate - Increased by 50 bps	37.79	22.83
Interest rate - decreased by 50 bps	(37.79)	(22.83)

ITI Gold Loans Limited

36 Expected Credit Loss

Expected Credit loss is a calculation of the present value of the amount expected to be lost on a financial asset, for financial reporting purposes. Credit risk is the potential that the obligor and counterparty will fail to meet its financial obligations to the lender. This requires an effective assessment and management of the credit risk at portfolio level.

The key components of Credit Risk assessment are:
1. Probability of Default (PD): represents the likelihood of default over a defined time horizon.
2. Exposure at Default (EAD): represents how much the obligor is likely to be borrowing at the time of default.
3. Loss Given Default (LGD): represents the proportion of EAD that is likely to be lost post-default.
The definition of default is taken as 90 days past due for all retail and corporate loans.

Delinquency buckets have been considered as the basis for the staging of all loans in the following manner:
0-30 days past due loans classified as stage 1 (no default & SMA-0)
More than 30 - 90 days past due loans classified as stage 2 (SMA-1 & 2) and
Above 90 days past due loans classified as stage 3 (NPA)

EAD is the total amount outstanding including accrued interest as on the reporting date.
The ECL is computed as a product of PD, LGD and EAD.

(vi) Institutional set-up for liquidity risk management

Board constituted Asset Liability committee (ALCO) reviews asset liability mismatches (ALM). It also ensures that there are no excessive concentration of either assets or liability side of the balance sheet.

ALM is monitored as a regular process and necessary steps are taken wherever required. Company also maintains sufficient liquidity buffer through ICD from Group Companies and other means to meet its liability when they are due, under both normal and stressed conditions in a timely manner. Maturity profile of financial assets and financial liabilities is assessed along with borrowing and business and as a part of review of liquidity position.

Liquidity risk is managed in accordance with ALM policy. Same is reviewed periodically to incorporate regulatory changes, economic scenario and business requirements.

ITI Gold Loans Limited
(formerly United Petro Finance Limited)
Material accounting policies for the year ended 31 March 2024

1 **Corporate Information**

ITI Gold Loan (the Company) was incorporated on 31.05.1996, as United Petro Finance Limited, and is registered on August 17, 2000 under section 45-IA of the Reserve Bank of India Act, 1934, as a Non-Banking Financial Company (non-deposit accepting). The Company is classified as a Loan Company and follows the Non-Banking Financial Company-Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 for its NBFC activities.

The Company is primarily engaged in the business of lending to against gold as collateral.

2.1 **Basis of preparation of Financial Statements**

(i) **Statement of Compliance**

These financial statements have been prepared in accordance with the Indian Accounting Standards (IND AS) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended by the Companies (Indian Accounting Standards) Rules, 2016, notified under Section 133 of the Companies Act, 2013 (the "Act") (as amended), other relevant provisions of the Act, guidelines issued by the Reserve Bank of India ("RBI") as applicable to a NBFC and other accounting principles generally accepted in India. Any application guidance/ clarifications/ directions issued by RBI or other regulators are implemented as and when they are issued/ applicable, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment. Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing Ind AS required a change in the accounting policy hitherto in use.

(ii) **Functional and presentation currency**

The Company's presentation and functional currency is Indian Rupees (₹ or INR). All amounts appearing in the financial statements are rounded to the nearest lakhs except where otherwise indicated.

(iii) **Basis of measurement**

The Company maintains accounts on accrual basis, except for the items disclosed separately in notes below. The financial statements has been prepared on a historical cost basis except for followings:

- Certain financial assets and liabilities which are measured at fair value;
- Defined benefit plans measured at fair value: and
- Repossessed assets are measured at fair value less cost to sell or carrying amount whichever is lower.

(iv) **Use of estimates and judgements**

The presentation of financial statements in accordance with Ind AS requires management to use of certain critical accounting estimates and assumptions. It also requires management to exercise judgment in the process of applying accounting policies. Actual result could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis and changes are made as management becomes aware of changes in the circumstances surrounding the estimates. They are based on historical experience, Industry practice and other factors, including expectation of future events that may have a financial impact on the Company and that are believed to be reasonable under circumstances. Revision to accounting estimates are recognised in the financial statements in the period in which the estimate is revised.

Wherever possible, detailed information about each of the critical estimates and judgements is included in relevant notes.

The areas involving critical estimates or judgments are:

- Estimation of defined benefit obligation;
- Impairment of financial assets such as loans, trade receivables etc;
- Estimation of tax expenses and liability; and
- Financials assets measured at amortised cost (Loans).

RAMESH KUMAR & ASSOCIATES * AUDITORS * C.A

ITI Gold Loans Limited

2.2 Recognition of income

(i) The effective interest rate method

Under Ind AS 109 interest income is recorded using the effective interest rate (EIR) method for all financial instruments measured at amortised cost. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR. The Company recognises interest income using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loan. Hence, it recognises the effect of potentially different interest rates charged at various stages, and other characteristics of the product life cycle (including prepayments, penalty interest and charges).

(ii) Interest Income

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets and financial assets measured at FVTPL.

When a financial asset becomes credit-impaired and is, therefore, regarded as 'Stage 3', the Company calculates interest income by applying the effective interest rate to the amortised cost net of provisions of the financial asset. If the financial assets are no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

(iii) Other income

(a) Other financial services include late payment interest, Cheque bounce charges and Other Charges from customers are accounted on receipt basis due to uncertainty of its realisation.
(b) All other incomes are accounted on accrual basis.

2.3 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

I. Financial Assets

(a) Recognition and initial measurement

Trade receivables are initially recognised when they are originated. All other financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets other than those measured subsequently at fair value through Profit or Loss, are recognised initially at fair value plus transaction cost that are attributable to the acquisition of the financial asset.

(b) Classification and subsequent measurement

Financial assets are subsequently measured in their entirety at amortised cost or fair value depending on the classification of respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristic of the financial assets, the Company classifies financial assets as subsequently measured at amortised cost, fair value thorough OCI or fair value through profit or loss.

➢ **Debt instruments at amortised cost**

A 'debt instrument' is measured at amortised cost if both the following conditions are met:
The assets are held within business model whose objective is:

- To hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely consisting of Payments of Principle and Interest (SPPI) on the principle outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are integral part of EIR. The EIR amortisation is included in finance income in the statement of Profit or Loss. The losses arising from impairment are recognised in statement of profit or loss.

RAMESH MEHTA & ASSOCIATES C.A AUDITORS

ITI Gold Loans Limited

➢ **Debt instruments at fair value through Other Comprehensive Income (FVOCI)**

A 'debt instrument' is measured at fair value through Other Comprehensive Income if both the following conditions are met:

The assets is held within business model whose objective is achieved by both

- Collecting contractual cash flows and selling financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principle outstanding.

After initial measurement, such financial assets are subsequently measured at fair value. Interest income under EIR method and impairment losses are recognised in statement of profit or loss. Other net gain or losses are recognised as OCI.

➢ **Debt instruments at fair value through Profit or Loss (FVTPL)**

FVTPL is residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization at amortised cost or as FVTOCI, is classified as FVTPL. After initial measurement, any fair value changes including any interest income, impairment losses and other net gains and losses are recognised in Statement of Profit or Loss.

(c) De-recognition

A financial asset is primarily derecognised when the right to receive cash flow from assets have expired. On de-recognition, any gain or loss on debt instruments are recognised in the Statement of Profit or Loss, except for financial assets at FVTOCI, where on de-recognition accumulated gain or losses in OCI is re-classified to profit or loss.

The Company transfers loans through assignment transactions. In accordance with the Ind AS 109, on derecognition of a financial asset under assignment transactions, the difference between the carrying amount and the consideration received shall be recognised in Statement of Profit and Loss.

(d) Impairment of financial assets

In accordance with Ind AS-109, the Company applies Expected Credit Loss ('ECL') model for measurement and recognition of impairment loss on the financial assets measured at amortised cost and debt instruments measured at FVTOCI. However, the Company has maintained the minimum provision requirement as per NHB regulations.

Loss allowances on trade receivables are measured following 'simplified approach' at an amount equal to the lifetime ECL at each reporting date. In respect of other financial assets such as debt securities, the loss allowances are measured at 12 month ECL only if there is no significant deterioration in the credit risk since initial recognition of the assets.

II. Financial Liabilities

Recognition and initial measurement

(a) Financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities, other than those measured at fair value through Profit or Loss, are recognised initially at fair value plus transaction cost that are attributable to the acquisition of the financial liability.

(b) Classification and subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities.

- **Financial liabilities at FVTPL**

A financial liability is classified as FVTPL if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and charges therein, including any interest expenses, are recognised in Statement of Profit or Loss.

RAMESH M. SURETHA & ASSOCIATES C.A AUDITORS

ITI Gold Loans Limited

- **Financial liabilities at amortised cost**

After initial recognition, financial liabilities other than those which are classified as FVTPL are subsequently measured at amortised cost using the EIR method.

Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The amortisation done using the EIR method is included as finance cost in Statement of Profit or Loss

(c) De-recognition

A financial liability is derecognised when the obligation under liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised of in the Statement of Profit or Loss.

2.4 Property, Plant and Equipment (PPE) & Depreciation

PPE are stated at cost less accumulated depreciation thereon. The cost of PPE comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use. The Company provides pro-rata depreciation from the date on which asset is acquired/ put to use. In respect of assets sold, pro-rata depreciation is provided up to the date on which the asset is sold. Gains / Losses arising from sale of asset are measured at the difference between the net disposal value and the carrying amount of the assets and are recognised in the statement of profit and loss when the asset is sold. On all assets, except as mentioned below, depreciation has been provided using the useful life as specified in Schedule II to the Act by Written Down Value method:

Cost of Leasehold improvements is amortized over the period of the lease.

2.5 Intangible Assets and Amortization

Expenses incurred on intangible assets having enduring benefits are capitalized and amortized on Straight Line Method (SLM) basis over a period of 10 years.

2.6 Taxation

Tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the period).

Current Tax

Provision for current tax is made on the basis of estimated taxable income for the accounting year in accordance with the Income Tax Act, 1961. Current tax assets and liabilities are measured at the amount expected to be recovered from, or paid to, the taxation authorities. Management periodically evaluates positions taken in the tax returns with respect to situation in which applicable tax regulations are subject to interpretation and establishes provisions were appropriate.

Current tax assets and liabilities are offset where the entity has legally enforceable right to offset and intends either to settle on net basis, or to realise the assets and settle the liability simultaneously.

Deferred Tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit and is accounted for using the balance sheet liability model. Deferred tax liabilities are generally recognised for all the taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that is probable that future taxable profits will be available against which the temporary differences can be utilised.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

RAMESH M. SHETH & ASSOCIATES C.A AUDITORS

ITI Gold Loans Limited

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

28.8 Employee Benefits

(i) Defined Contribution Plans

The Company's contribution to provident fund and employee state insurance scheme is considered as defined contribution plans and is charged to the Statement of Profit and Loss in the period in which they occur. The Company have no other obligation when the contribution has been paid.

(ii) Defined benefit plans

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss. Remeasurements of gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(iii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss. The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iv) Other Long Term / Short term employee benefit obligation

The Company has provided for earned leave benefits payable to its employees and is in the nature of Defined Benefit Plan. The Liability recognized in the balance sheet in respect of Leave Encashment is the present value of defined benefit obligation at the balance sheet date together with the adjustments for
unrecognized actuarial gain or losses and the past service costs. The defined benefit obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. Actuarial gains and losses comprise experience adjustment and the effects of changes in actuarial assumptions are recognised immediately in the Statement of Profit and Loss account.
Remeasurements gains and losses arising from experience adjustments and changes in actuarial assumptions, are recognised in the year in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance Sheet.

2.7 Provisions

Provisions for legal claims are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as finance cost.

2.8 Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability.

A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the notes to financial statements. A Contingent asset is not recognized in financial statements, however, the same is disclosed where an inflow of economic benefit is probable.

2.9 Impairment of Non - Financial Assets

The Company assesses at each balance sheet date whether there is any indication that a non financial asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the non financial asset. If such recoverable amount of the non financial asset or the recoverable amount of the cash generating unit which the non financial asset belongs to, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the non financial asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

2.10 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprises cash at bank and on hand and short -term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

2.11 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.12 Leases

Asset taken on lease:
The Company's lease asset classes primarily consist of leases for properties.
The Company presents right-of-use assets and lease liabilities separately on the face of the Balance sheet. Lease payments (including interest) have been classified as financing cash flows.

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use asset is subsequently measured at cost less any accumulated depreciation and accumulated impairment loss, if any, and adjusted for certain re-measurements of the lease liability. The right-of-useassets is depreciated using the straight-line method from the commencement date to the end ofthe lease term. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in the statement of profit and loss. When a right-of-use asset meets the definition of investment property, it is presented in investment property.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interestrate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

The lease liability is subsequently increased by the interest cost on the lease liability and decreased by lease payment made. The carrying amount of lease liability is remeasured to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. A change in the estimate of the amount expected to be payable under a residual value guarantee, or as appropriate, changes in the assessment of whether a purchase or extension option is reasonably certain to be exercised or a termination option is reasonably certain not be exercised.

The Company has applied judgement to determine the lease term for some lease contracts in which it is a lessee that include renewal options. The assessment of whether the Company is reasonably certain to exercise such options impacts the lease term, which significantly affects the amount of lease liabilities and right of use assets recognised. The discounted rate is generally based on incremental borrowing rate specific to the lease being evaluated.

2.13 Borrowing Cost:

Borrowing costs include interest expense calculated using the EIR on respective financial instruments measured at amortised cost, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

The effective interest rate (EIR) is the rate that exactly discounts estimated future cash flows through the expected life of the financial instrument to the gross carrying amount of the financial liability.

Calculation of the EIR includes all fees paid that are incremental and directly attributable to the issue of a financial liability.

While computing the capitalisation rate for funds borrowed generally, an entity should exclude borrowing costs applicable to borrowings made specifically for obtaining a qualifying asset, only until the asset is ready for its intended use or sale. Borrowing costs (related to specific borrowings) that remain outstanding after the related qualifying asset is ready for intended use or for sale would subsequently be considered as part of the general borrowing costs of the entity.
